Vienna, November 21st 2006

Dear Alban,

Thank you for your support as our Public Relations partner at our inaugural Economist Conferences, First Business Roundtable with the Government of Albania (September 14th 2006).

**We appreciated your support prior to the event with the distribution of a press release to key Albanian media, preparation of media kits, translation support and insights in the Albanian market. In addition your management of the press during the Prime Ministers session at the Roundtable—the only session open to the media—was a contributing factor to the overall success of the event.**

Economist Conferences is now working on future schedules in which we hope to add Albania to our regular Government Roundtables. We would again consider Comport as our Public Relations partner for future Roundtables

Once again, thank you for your support and we are looking forward to future co-operations.

Warm greetings from the Vienna "Albania" team and myself,
